

To whom it may concern,

I am happy to recommend Mr. Matteo Casanova for an employment with your company. For over 5 months he carried out a complex research for my company DESIGNERGY as a part of his Master's studies. I found him to be trustworthy, pleasant to work with and tackling all challenges with dedication and a strong sense of responsibility.

Besides being a joy to work with, Mr. Casanova is an outstanding individual who is able to come up with creative ideas and communicate them effectively. He proved to be an excellent team player, a quick learner and showed to possess strong problem solving skills.

Furthermore, Mr. Casanova and his team, managed to write a remarkable report that provided DESIGNERGY with really useful insights.

I highly recommend Mr. Casanova as he would be a valuable asset to your organization.

Sincerely,

Daniel Lepori
